# Seven Years of Harvest

# Joseph brings in the Harvest

- Genesis 41:46-49
- Yosef was thirty years old when he stood before Pharaoh king of Egypt; then he left Pharaoh's presence and traveled through all the land of Egypt. During the seven years of abundance, the earth brought forth heaps of produce.
- He collected all the food of these seven years in the land of Egypt and stored it in the cities — the food grown in the fields outside each city he stored in that city. Yosef stored grain in quantities like the sand on the seashore, so much that they stopped counting, because it was beyond measure.

# Woman clothed with the Sun

- Revelation 12:1, 2
  - Now a great sign was seen in heaven — a woman clothed with the sun, under her feet the moon, and on her head a crown of twelve stars. She was pregnant and about to give birth, and she screamed in the agony of labor.
- This is describing the constellation Virgo. This particular alignment has only happened once in history
- The moon was at her feet, the sun was over her shoulder
- Above her head 3 planets (Mercury, Venus, and Jupiter) were in alignment with the star Regulus in Leo, which was also in conjunction with Jupiter.
- 9 stars of Leo and the 3 planets aligning with Regulus make the crown of 12 stars.

# Seven Years of “Famine”

# THE FAMINE BEGINS

- Genesis 41:450-54
- Two sons were born to Yosef before the year of famine came; Osnat the daughter of Poti-Fera priest of On bore them to him. Yosef called the firstborn M'nasheh [causing to forget], "Because God has caused me to forget all the troubles I suffered at the hands of my family." The second he called Efrayim [fruit], "For God has made me fruitful in the land of my misfortune."
- The seven years of abundance in the land of Egypt ended; and the seven years of famine began to come, just as Yosef had said.
